

Dear Hiring Manager,

I am writing to apply for the Software Development Internship position at your company. I am a computer science student at Savitribai Phule Pune University with a passion for software development and a strong desire to work in a fast-paced, dynamic environment like yours.

I have acquired skills in multiple programming languages, including Java, Python, and C++, and have hands-on experience in developing software applications using the latest technologies and tools. My experience in software development has been strengthened by my coursework, coding challenges and participation in team projects.

My technical skills, combined with my excellent teamwork, communication, and problem-solving abilities, make me a strong candidate for the role. I am confident that I will be able to contribute to the development and success of your company by delivering innovative solutions that meet your business needs.

I would be honored to join your team as an intern and have the opportunity to work on challenging projects, learn from experienced professionals and grow as a software developer. I am eager to bring my energy, passion, and skills to the table, and I am sure that I would make a valuable addition to your team.

Thank you for considering my application. I am available for an interview at your earliest convenience and would be happy to provide any additional information or documentation that you may need.

Sincerely,
Prajwal Kuchewar
